The League is 16 weeks

Enter your names and contact info. on the signup sheet.  
There is a separate page to sign if you want to be a sub.

You can choose to play the full 16 weeks, the first 8 weeks or wait to play the last 8 weeks. Please specify when signing up.  
Either way, pay by the due date.

To participate, the cost per person is **\$185.00** for 8 weeks or if you want to golf the entire 16 weeks the cost is **\$370.00**.

If you want to play the entire 16 weeks and can't afford to pay the \$370 up front, the remainder can be paid before the beginning of the second half of the league.

**All monies should be paid by cash or check by April 26th. No Credit.** Please make checks payable to Gahanna Moose and make sure to get a receipt from the bartender when paying. If you haven't paid by then, you will be removed from the list and someone from the waiting list will be contacted.

Once everyone has signed up and all monies are paid. A contact list of everyone will be available along with the contact numbers for the subs.

Please stick to the schedule as much as possible. If there is an issue with not being able to make your tee time, please contact a person from the other pairing that you're playing with so that they can arrange to pair up with someone else if possible.

Not showing up for your tee time without notice has been a problem in the past and is not fair to everyone else.

If you are not on time, the next group will take your tee time.

If your team wants to switch up tee times with another group or you want to play with a different pairing, it is your responsibility to make that happen.

Please be observant of the time that it's taking you to play each hole and be courteous to other pairings.

The course has already been notified about our league and will be holding the same dates for the league as it was last year.

Let's all have fun and make this enjoyable.
